

# ACTIVITIES ET SERVICES

Lombok, Bali's little sister has nothing to envy to other better known islands, it has in it many treasures, ancestral traditions, recognized authenticity and tranquility with landscapes and amazing nature.

You will be surprised by the friendliness of the local people and the hospitality and friendliness of the people.

The "Sasak" as they are called here are rooted in the rites and customs.

You can embrace the rich and diverse cultures of Lombok which are very diverse and influenced by Islam, Hinduism, Buddhists and animists.

Craft villages with traditional weaving techniques to Sukara and Pringgasela but also the village of Banyumulek pottery and watch traditional Sasak villages.

A tourism resort with beautiful beaches for relaxing, surfing.

The beaches are so beautiful and unspoiled that you believe in paradise.

Here a sense of relaxation takes hold of you.

For surfing enthusiasts from around the world, you can catch the waves.

Most athletes, affectionate active holidays, will choose to practice water sports, surfing, paddle boarding, body boarding, diving, yoga, meditation, and for the more experienced climbing Mount Rinjani.

Tropical forest with fauna and flora dense, rice fields, waterfalls and towering and plantations of peppers and coffee.

The unique aspect of the Rinjani volcano with its rice fields make Lombok a sensational destination for trekking, climbing and cycling. Second highest volcano in Indonesia, it is unique because of its lake in a crater which houses a smaller volcano.

His ascent takes about two days for the top and one day for the rear.
